Chapter 3

Behind blue eyes

Eeveelution Squad

A month later...
Glaceon.
Leafy... Let me sleep a little more...
Sis, wake up.

sigh
Jolteon was here awhile ago...
H-he was here?
Why are you freaking out?
Uh...

Just speak it out. Last time he waked you, you punched him in the face.
How was I supposed know why he was in my room?
Even if you didn't know, you could at least say "sorry" to him.
But he never asked for it.
...

So... You like him?
O-of course not!
Why are you blushing?
Okay, you got me. I like him... But don't you think he would hate me after all I've done to him?

Don't worry about it.
Where are you going?
I'm going to the kitchen. I can get you something if you want.
No, thanks...

Glaceon!
What do you want?
Nothing!
So...
Is anything wrong?

Just tell me. Tell me now.
Tell me now. Come on, Glaceon.
I know you're gonna tell me. I don't mind if you tell me. Tell me now.
Tell me now. Come on, Glaceon.
No.
Is it about Jolteon?
W-what do you mean?

Well, I always see you two together, so it's got to be him.
No, it isn't!
Beside, it's not like I like him or anything...
You love him~
That's not what I meant!

Isn't that him over there?
Come on, she's not that bad.
What make you say that?
I'm gonna tell him~
Don't-
W-wait!

Jolteon~
What are you planning to do this time?
I want to tell you something.
Okay... But it better not be a trick again.
Cool!

Glaceon is always mean to you, right?
Yeah... What about her?
Well, she actually loves yo-
Sylveon, come here for a minute.

What was that all about?
What was that for? I almost told him.
Can't you just shut up already?
So, you do love him.
No, I don't!

Just leave me alone...
And don't even think about telling him while I'm gone!
You can count on me.
Later...
This is getting worse and worse...

Really?
Yep.
What were you two talking about?
Just talking about how beautiful today is.
You better not be lying to me.
Of course, we're not lying!
You must be thinking too much!

Alright, then...
They're definitely up to something...
Eevee!
Aye?

So... Can you tell me something about your daddy-I mean Jolteon?
D-daddy?
Well, Sylveon already told everyone about it. You can just call him whatever you want now.
Does he really have a kid?
Really?
What is this strange feeling?

I know you're trying to help, but you don't have to do this.
Why won't you let me do it for you?
Daddy!
Uh...
Daddy, are you okay?
You can stop pretending. Everyone already knows about it.
Alright, then...

Later...
I have no idea how everyone knows it, but I know Eevee wouldn't tell anyone about it.
It wasn't her.
So, who was it?
You'll figure it out.
Can't you just tell me already?

Glaceon, I want you to come with me!
Where?
?
Vappy, what's going on-
You too!
Can you at least tell me what's going on?

Later...
We're here.
Isn't this our warehouse?
Vappy, let me go.

Can anyone please tell me why are we here?
We heard strange noises coming from our warehouse recently. Should we check it out?
I think there's a ghost in there.
Don't be ridiculous, there's no ghost here.

Even if there is, why not bring Umbreon here instead? He can take care of it easily.
We're already here anyway. Why don't we check inside?
Alright, then...
?

I don't see anything strange here.
Hey-

It's all up to you now!
Sylveon! Vaporeon! Open the door this instant!
I can't believe we fell for that... I bet they're thinking "It's all up to you now" or something...
Hey, are you okay?
S-sorry...

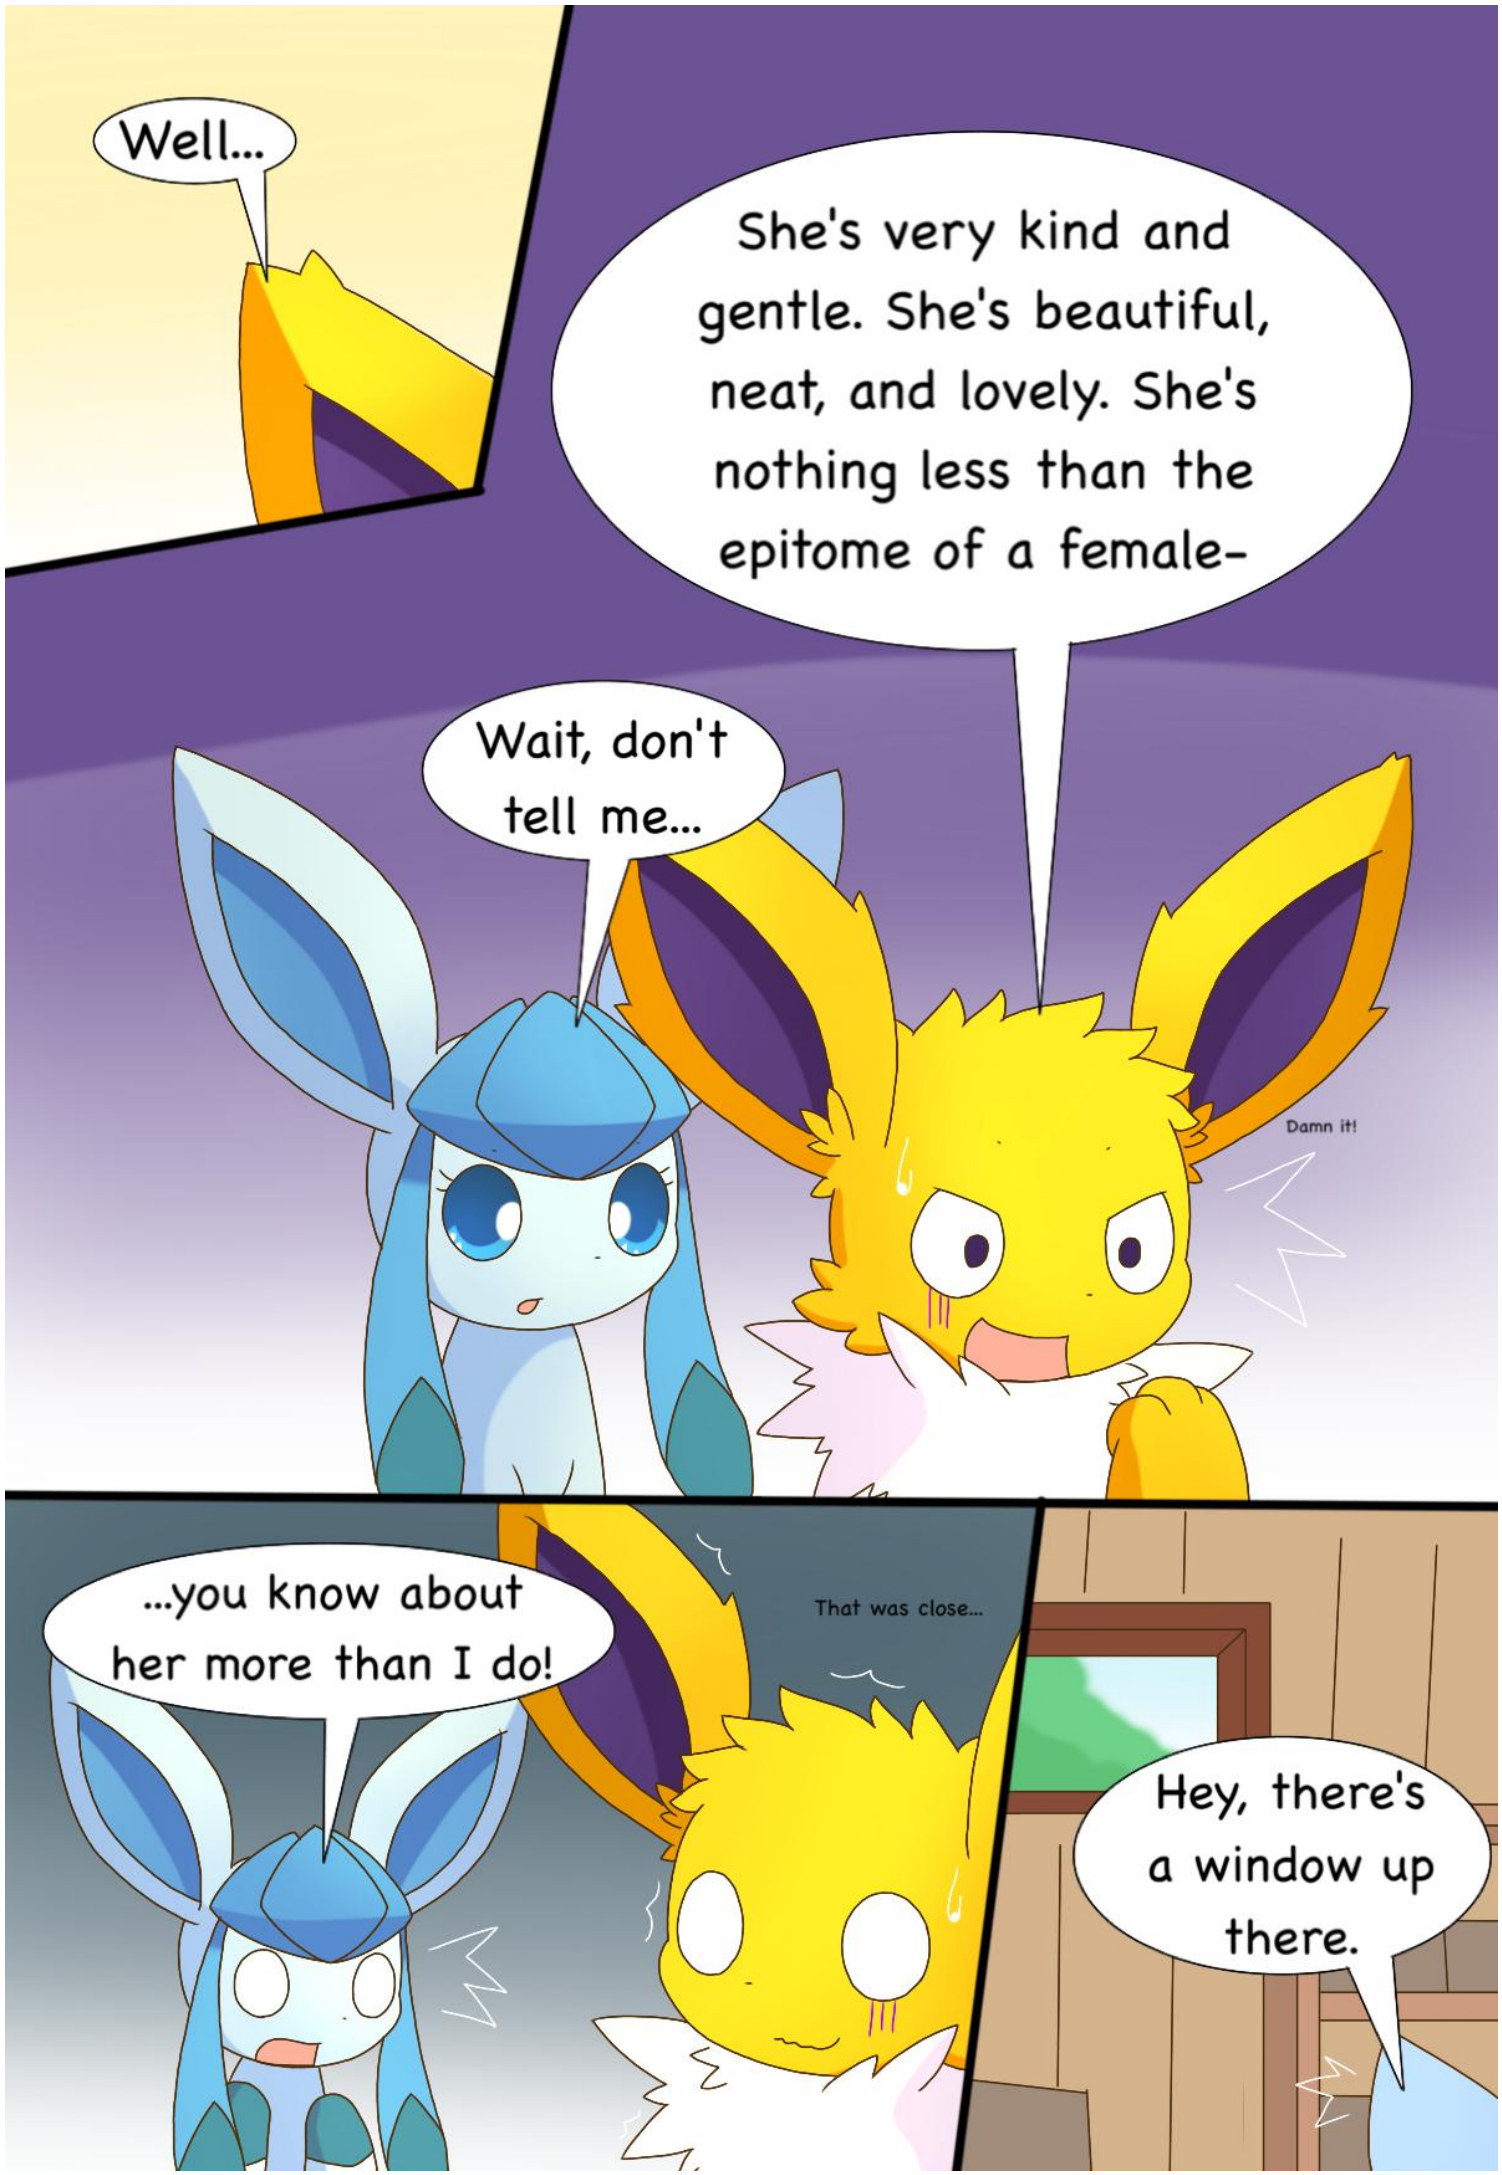
Sorry?
I-I'm...
I'm really sorry for everything I've done to you! I know you won't forgive me, but I want you to know that I-
Are you really okay?
...

This is weird... She's totally different than her normal self. I've never seen her like this before...
but looking at her now...
I don't know what's going on, but she really is cute...
Wait...
What the heck am I thinking!?
?

Deep breath, deep breath, deep breath...
You're not that bad, you know.
R-really?
Well... What do you think of me?
Why are you asking me that?
Because I'm always mean to you.

Well... you're mean and annoying. You always hit me no matter what I do and I get it. It's my fault I stand still and let you hit me. Until now, I still think you're nasty-
So that's what you think of me...
W-wait! I didn't mean-

Why didn't you hit me?
Why? You're right after all...
Don't feel bad.
There's one more thing I want to ask you.
What do you think about Leafeon? To me, she's the best sister I could ever have.



Well...
She's very kind and gentle. She's beautiful, neat, and lovely. She's nothing less than the epitome of a female-
Wait, don't tell me...
Damn it!
...you know about her more than I do!
That was close...
Hey, there's a window up there.

Made it.
Don't get too excited about it.
Don't worry, I got this-
?!
Kya!
?

M-move...
You move...

Sis? Jolteon?
Are you in here-
S-sorry for the intrusion! We've got to go now!
W-wait!

Wait...
...
That night...

sigh
Maybe I should try to be nicer to him...
